A CARD.

RICHARD REID, of Montgomery county, is a candidate for Judge of the Superior Court of the Third District of Kentucky, subject to the action of the Democratic party.

The Legislature threatens to pack up and go home on the 24th.

The mother of Jesse James keeps constant watch at his grave, which is within easy rifle range from her window. Medical students will please take notice.

The unsuspecting citizens of Lexington ordered out their fire department the other night, to put out the aurora-borealis. Now we know they need the Capitol.

The Ford boys plead guilty of murder, and have been sentenced to be hanged to death. The Governor, will of course, pardon them. Justice demands that they be hanged first.

FRANK JAMES and a new gang of five men, are on the still-hunt, and have sworn vengeance on the Ford boys and Gov. Crittenden. The public needn't be surprised at hearing something drop any day.

COMRADES at Sedalia, Mo., of Jesse James in the Confederate army, are raising a subscription for his widow. Now we may look out for Buffalo Bill taking up a subscription for the widows of Capt. Jack, Shacknasty Jim, Scar-faced Charlie, and all those old vets.

WHILE a pretty mulatto girl was at worship in a Louisville church, two athletic negroes—rivals for her hand—repaired to a stable near by for a prize fight. The winner was to escort the girl home. But both were so terribly pounded that they had to be carried away in an ambulance.

THIS may be a little chilling to the budding hopes in the dear Spring time of Will Owens, but 'Squire Jim Mitchell, the North Middletown reporter of the True Kentuckian, says this week: "All our people in this precinct are for Joe Blackburn over Owens, or anybody else. We believe in fair play in all things. Owens tried to play too nice a game."

GEN. DIBRELL, now Congressman from Tennessee, has published an official statement of disbursements of treasure which Mr. Davis took with him in the flight from Richmond. The statement is furnished by Col. W. C. P. Breckinridge, and shows that of the \$108,322.90 taken from Richmond all but \$66.84 was distributed among the troops assembled at Gen. Breckinridge's headquarters.

RICHARD REID, senior member of the law firm of Reid & Stone, of Mt. Sterling, one of the ablest law firms in the State, is announced in this issue, as a candidate for the Superior Judgeship of the Third District. Mr. Reid's gallant race with Judge Hargis for the Appellate Judgeship, as will be remembered, shows that he is a man of metal, and ability, and he who beats him will beat a good one.

A CYCLONE struck and demolished Brownsville and another little town in Missouri, this week, and killed eleven people and wounded thirty more. One little babe was carried across a twenty-five acre field and lodged in an apple tree, uninjured. Houses were smashed, to atoms, and the citizens were shaken up generally. Hail the size of goose eggs fell in some places. Gen'l. Hazen, of the Signal Service, proposes to find out the cause of these terrible cyclones and electric storms. It will be some satisfaction to a man who has his house blown to pieces about his head, and his years crops ruined, to be able to explain how and why it is, but it would be vastly more useful if the Signal Service, having discovered the cause, should be able to prescribe the cure.

IT IS A RATTLER!

In these United States of America there is one, and only one, enterprising Newspaper, "Published for the People Now on Earth," which prints the news entirely from everywhere, regardless of who it hurts or who it benefits. This is saying a great deal but it is the truth. The name of the Paper is

THE BAZOO

Published at Sedalia, MO., By J. West Goodwin.

It is to-day the only Journal in the United States called "BAZOO," named by its founder, from the Cherokee Indian language, and signifies "Much Wind." This paper owns a Telegraph franchise, which fills its columns daily with the cream of the news from coast to coast, and from the North Pole to the Everglades of Florida. Bits of Sensation, the best of Short Sermons, and full details of weddings, deaths and Crime, finds a special artist always near, to give the world through the medium of the most skilled and cheery reporters that can be employed for love or money, or both, the news just as it is, without color or exaggeration.

Please let it be impressed on your mind that this is a paper for those now living, and deals with everything just as it is, as the great mass of American people want to be dealt with.
